

WILLOW

We reserve all rights for technical improvements. Technische wijzigingen ter verbetering van het product, worden voorbehouden. Sous réserve de toute modification technique visant à l'amélioration constante de nos produits.

Durch technische Weiterentwicklung sind bedingte Änderungen vorbehalten.

* For more information, visit the modules sustainable databases. Remark: Products are not reviewed under the LEED®, LEED® credit requirements cover the performance of materials in aggregate, not the performance of individual products or brands. The LEED® green building certification program is the national accepted benchmark for the design, construction, and operation of green buildings. For more information on LEED®, visit www.usgbc.org/cert.
