# BOLD CONTRASTS.

Go where boldness meets harmony with Revolt, our range of LVT flooring that dots all the I's and crosses all the T's of your spatial design. It's the perfect hard flooring partner for your soft flooring projects.

Create a balanced yet impactful outcome with Noble, Opulent and Urban. Revolt's designs do their names justice with realistic patterns and colour options, giving every space the touch it needs.

# HARMONIOUS FUSIONS

# EFFORTLESS LUXURY

Revolt LVT is daringly different, bringing a sense of luxury to your kitchens, tea points and other high-traffic spaces, and seamlessly transitioning to your carpet areas.

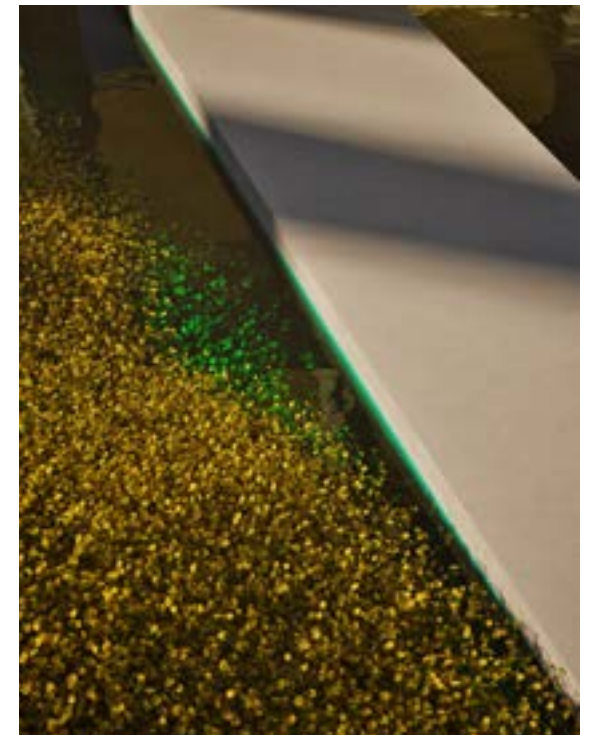

Revolt's collections are a pleasure to walk on, combining warmth and improved acoustics underfoot. The double-coated surface offers exceptional resistance to scratches, cuts, and scuffs, ensuring lasting value for your investment. Installation is quick and hassle-free with looselay tiles that require no special tools, and a tackifier keeps the tiles securely in place while allowing for easy replacement when needed.

VELVET& 130, OPULENT 972

Maintaining your floors is effortless with Revolt's innovative surface, which minimises dirt adhesion and reduces the need for specialised cleaning products.

Additionally, the entire LVT collection is fully water-resistant, making it perfect for areas prone to moisture. With its non-slip, hypoallergenic properties, Revolt is an ideal choice for kitchens, bathrooms, and playrooms, offering a safe and hygienic flooring solution.

# BOLD HARMONY

It's time to think outside the box. Combining patterns and colours gives way to projects that stand out, and with Revolt creating harmonious contrasts has never been this easy. Choose a design that perfectly resonates with the atmosphere you want to create.

Add a touch of luxury to your spatial design with Opulent, an LVT collection created to bring interiors to a higher level. Ready to reach cloud nine? This collection features a luxurious stone structure and pattern, seamlessly blending the grandeur of marble with the essence of timeless elegance.
